

Project Name: Dunns Valley Solar

IESO Reference Number: LT2E-1002

Project Location: Shaw Road, approx. 20 km north of the Town of Thessalon, Algoma District, ON P0S 1J0

Dated at: District of Algoma this the 13th day of July 2026

Dunns Valley Solar Inc., a partnership between Neoen and Garden River First Nation, is planning to engage in a renewable energy project in respect of which the issuance of a renewable energy approval is required. The distribution of this notice of a proposal to engage in this renewable energy project and the project itself are subject to the provisions of the *Environmental Protection Act* (Act) Part V.0.1 and the Ontario *Regulation 359/09* (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment, Conservation and Parks (MECP).

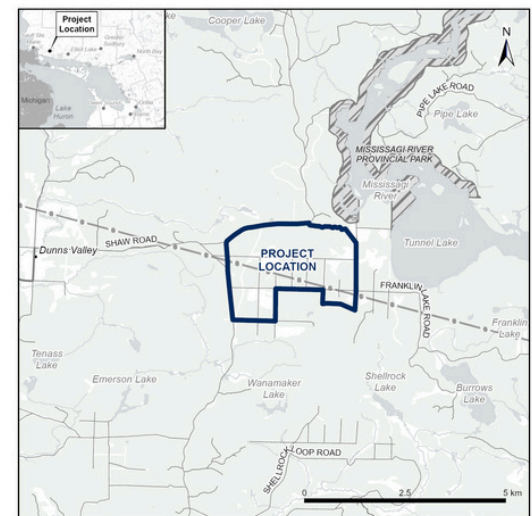

Project Description

Pursuant to the Act and Regulation, the facility, in respect of which the project is to be engaged in, is considered to be a Class 3 ground-mounted Solar Facility. If approved, this facility would have a total maximum name plate capacity of 200-megawatt (MW). The project location is described in the map to the right.

The project is being proposed in accordance with the requirements of the Act and Regulation. The Draft Project Description Report (PDR) titled "Dunns Valley Solar Project: Draft Project Description Report" describes the facility as a Class 3 solar facility which will include the use of solar photovoltaic modules to capture sunlight and generate electricity. The project will include power conversion stations, a substation, an electrical collection system, access roads, perimeter fencing, operations and maintenance buildings, and a temporary laydown area for construction. A copy of the Draft PDR is available for public inspection at: Canada.Neoen/Dunns-Valley-Solar/

Project Location

Dunns Valley Solar is proposed for development on lands located on Shaw Road, approx. 20 km north of the Town of Thessalon, Algoma District, ON P0S 1J0.

DUNNS VALLEY SOLAR: NOTICE OF PUBLIC MEETING

Join us for a community meeting on the Dunns Valley Solar project. Meet project staff and technical experts, ask questions, share your thoughts, and enjoy local refreshments.

This is a drop-in event, come at anytime during event hours.

Tuesday August 18, 2026

6:00 PM – 8:00 PM

Wharncliffe Community Hall
4847 ON-129, Wharncliffe, ON P0R 1L0

Canada.Neoen.com/Dunns-Valley-Solar/

DunnsValleySolar@Neoen.com

300 – 504 Wellington St W
Toronto, ON M5V 1E3

+1 (416) 992-7332

NEOEN

Rewearable Energy Approvals Process

Dunns Valley Solar is subject to the Ministry of Environment, Conservation and Parks' (MECP) Renewable Energy Approvals (REA). Neoen is commencing its REA for Class 3 solar ground-mounted solar facility for Dunns Valley Solar, a process that involves undertaking of studies and surveys to identify and mitigate potential environmental impacts. The REA for Class 3 solar ground-mounted solar facility Screening Process is a process for projects with minimal environmental effects. It is anticipated that Dunns Valley Solar will follow the Screening Process. Learn more about the REA: ontario.ca/page/renewable-energy-approvals

Document for Public Inspection

The Draft PDR titled "Dunns Valley Solar Project: Draft Project Description Report" is available for public inspection at Canada.Neoen.com/Dunns-Valley-Solar/. Written copies of the draft PDR and supporting documents will be made available for public inspection on August 18, 2026 at Wharnccliffe Community Hall during the public meeting.
